Ige Moves River Buoys-Increased Attendance at Church and Sunday

The breaking up of the river ice caused the dolphin that marks, the cross-over channel at Red Top to go out of commission last week. This happens every winter, with the running ice. The western buoy, near Bartlett's, has always withstood the pressure of ice and tide, until the past week when this was moved saveral week, when this was moved several hundred feet down the river. Most of the buoys and dolphins up the river

Rev. Mr. Harrison conducted morning and evening services in the M. E. church Sunday and also filled the place of superintendent of the Sunday school as both C. E. Colveri superintendent, and D. C. Perkins, assistant superintendent, were ill.

Awards for Attantonic and C. At the meeting the second degree was conferred on two candidates. After the business of the meeting a fine New England supper was served, a social hour following.
